

STYK1:NOK rabbit pAb

Catalog No.	IPB14413
Reactivity	Human; Mouse; Rat
Applications	WB
Dilution	WB: 1:500-2000
Gene Name	STYK1 NOK
Protein Name	STYK1/NOK
Human Gene Id	55359
Swiss-Prot	Q6J9G0
Formulation	Liquid in PBS containing 50% glycerol, and 0.52% sodium azide
Source	Rabbit
Purification	The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen
Concentration	1 mg/ml
Storage&Stability	-20°C/1 year
Subcellular Location	Membrane; Single-pass membrane protein
MW	46420
Background	Receptor protein tyrosine kinases, like STYK1, play important roles in diverse cellular and developmental processes, such as cell proliferation, differentiation, and survival (Liu et al, 2004 [PubMed 15150103])
