

NDUFAF6 rabbit pAb

Catalog No.	IPB14434
Reactivity	Human; Mouse; Rat
Applications	WB
Dilution	WB: 1:500-2000
Gene Name	NDUFAF6 C8orf38
Protein Name	NDUFAF6
Human Gene Id	137682
Swiss-Prot	Q330K2
Formulation	Liquid in PBS containing 50% glycerol, and 0.3% sodium azide
Source	Rabbit
Purification	The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen
Concentration	1 mg/ml
Storage&Stability	-20°C/1 year
Subcellular Location	Mitochondrion inner membrane Peripherally localized on the matrix face of the mitochondrial inner membrane [Isoform 2]: Cytoplasm Nucleus
MW	36630
Background	-
