

TMEM39A rabbit pAb

Catalog No.	IPB14438
Reactivity	Human; Mouse; Rat
Applications	WB
Dilution	WB: 1:500-2000
Gene Name	TMEM39A
Protein Name	TMEM39A
Human Gene Id	55254
Swiss-Prot	Q9NV64
Formulation	Liquid in PBS containing 50% glycerol, and 0.77% sodium azide
Source	Rabbit
Purification	The antibody was affinity-purified from rabbit serum by affinity-chromatography using specific immunogen
Concentration	1 mg/ml
Storage&Stability	-20°C/1 year
Subcellular Location	Endoplasmic reticulum membrane; Multi-pass membrane protein
MW	53680
Background	-
